The Resort

An insider's guide to Les Gets

20

Location, location, location. Wherever we are in the world, it's all about those three words. And location is the mantra of No.5.

From No.5 you can practically ski to your own front door. Your nearest ski lift is just 150 metres away, and the ski slopes of Les Gets descend right down into the village. Ski in, change out of those ski boots, then walk out, directly into the heart of Les Gets – for après, for dinner, for shopping, for people-watching, it's all easily accessible on foot.

The facilities at No.5 go without saying because No.5 is little brother of The Penthouse. Located in the same building, it offers the same alpine luxury to our modern mountain traveller, but with all the freedom of a self-catered experience. All the luxury, the perfect location, and the ultimate freedom. The trifecta of a perfect luxury ski break.

Apartment No.5 could almost be considered ski in/ski out as the nearest ski lift – the Mont Chery cable car – is just a 150m stroll. From here you can access some of the best intermediate skiing in Les Gets and it offers amazing and quiet off-piste

skiing on powder days. The Chavannes cable car and chairlift is also very close by and from there you can access the Morzine/Les Gets ski area that links up to the world famous Portes du Soleil. The boutiques, bars and restaurants of Les Gets village are all on your doorstep, so you can fully enjoy the après ski each day and could even pop home for some more comfortable footwear before enjoying your first vin chaud!

VIRTUAL TOUR

Location, Location, Location

Apartment No.5 is centrally located in Les Gets village, close to the popular boutiques, bars and restaurants. It is very close to the Mont Chery and Chavannes ski lifts, so is ideally located for easy access to the Portes du Soleil ski area. This sunny location also has wonderful views across the village and the ski slopes.

Contemporary Design

The owners of Apartment No.5 appointed renowned interior architects Shep & Kyles to make the most of the beautiful open space. The brief was to create a welcoming, open-plan living/dining area, full of alpine charm but with a contemporary twist. Everywhere you look there are carefully-curated luxury details – the stunning Bocci lights above the reclaimed wood coffee table, the Eames dining chairs, the bespoke rugs, the Tibetan sheepskin beanbags – the apartment is filled with iconic furniture. Another modern twist comes from the artwork on the walls, the result of a collaboration with local artist Charlie Adam. A fully-programmeable lighting system makes it easy to set the mood for a variety of occasions.

Welcome To Les Gets

Les Gets is located in the Haute Savoie and is one of the most northerly of the French Alpine resorts, less than one hour from Chamonix, and benefiting from the Mont Blanc microclimate. It forms part of the Portes du Soleil, the largest ski area in the world comprising of 12 Franco-Swiss ski resorts that will keep you busy for many holidays to come.

Off mountain Les Gets and the surrounding area offers so much to its visitors that it would be easy not to ski at all. There are the basics such as local cinema, large swimming pools and an aquatic centre, bowling, an open-air ice rink, ice hockey, parapenting, ice diving, snowmobiling, tobogganing and snowshoeing. But there are also nature discovery tours, day trips, cheese-making tours, spas, tennis courts, climbing, horse-riding and many cultural events and offerings. The tourist office are one of the most proactive and work tirelessly to offer visitors the very best mountain experiences.

Les Gets delivers when it comes to dining experiences too. From restaurants offering fine dining with a passionate connection to regional and traditional heritage, to modern, simplistic affairs; from the

simple street food of K2, or the local butcher who cooks up handmade regional sausages for mid-ski-day food on the go, to authentic tapas in the wine bars of The Marmotte, or fine dining at the likes of La Péla. Then there are the old mountaintop classics, such as La Paika and Chez Nannon, who create uncomplicated purist mountain food, respecting the seasons, sourcing the finest local ingredients, staying true to their mountain roots. In fact the region as a whole has in recent years experienced somewhat of a gastronomic renaissance as a wide range of talented and creative chefs, with diverse roots and pasts, choose to live and work in the region.

Les Gets enjoys a busy events calendar, in part due to the town's incredible Tourist Office, but also due to the larger region's passion for creating mountain events for all their visitors. Celebration of music is now very much a part of mountain culture so throughout winter and summer Les Gets (and the Portes du Soleil) hosts a series of mostly free events; music, film, culture, charity and family. It is always worth finding out a little more about the resort's social calendar before you visit to make the most of these regional offerings.

The Ski Area

The unique selling point of the Portes du Soleil is the on-snow experience. Pistes of every orientation from high altitude powder bowls to beautiful winding tree-lined runs into the picture postcard villages. Not to mention the limitless off-piste. There's something for every ability from those learning for the very first time, through to the seasoned skier looking for the ultimate challenge. No two days are the same here, in fact, no two weeks are!

THE DISTRICTS:

- Morzine-Pleney
- Morzine-Les Gets
- Nyon
- Super Morzine
- Avoriaz
- The Swiss Resorts & The Portes du Soleil
- The Stash for freestyle

The Les Gets ski experience is limitless and should not be underestimated. In part because it forms part of the Portes du Soleil, spanning two countries and 12 different interconnected ski resorts, which is a great deal to ski on any one week ski holiday. But also because each skiing district has its own secret offerings, whether it be quiet slopes during peak weeks for relaxed family skiing or hidden locations that offer powder runs days after the rest of the resort has been tracked. The mountains truly are what you make them so it pays to be in the know.
